MADE IN GERMANY

AREALO 2

Built light. Thinking further.

Large areas perfectly illuminated

AREALO 2 – versatile, lightweight and powerful

SCHUCH

AREALO 2 – THE RIGHT SOLUTION FOR EVERY APPLICATION

Whether for outdoor areas, industrial halls or potentially explosive atmospheres – the AREALO 2 from SCHUCH offers versatile and future-proof lighting solutions for demanding applications.

SCHUCH BRAND QUALITY – MADE IN GERMANY

- Highly corrosion-resistant die-cast aluminium housing, flat and weight-optimised
- High-impact-resistant safety glass, integrated pressure equalisation system
- Excellent thermal management for both low and high-temperature applications
- L95 lifetime > 100,000 hours; standard versions up to 185 lm/W
- LED modules and electronic ballasts from leading manufacturers
- 5-year warranty

QUICK AND FLEXIBLE INSTALLATION

- Connection compartment accessible from the outside, tool-free connection
- Optional FastConnect quick connector (FC types)
- Flexible installation options: cable suspension, wall and ceiling mounting, as well as pole and truss mounting with separate accessories

DURABLE & FUTURE-PROOF

- Long service life, luminaires can be repaired, components are replaceable
- Zhaga-compliant LED modules
- Spare parts availability for at least 10 years after the product is discontinued

LIGHTING CUSTOMISATION & CONTROL OPTIONS

- VARIO SET – Luminous flux adjustment via light switch or contactor (VARST)
- Dimming function via the DALI-2 interface (DIMD)
- Power reduction with control phase (LR)

SMART & CONNECTED

LIMAS Air CASA/LIMAS Line: Wireless and DALI lighting management with CASAMBI, sensor and building management system integration – for lower energy consumption and short amortisation periods.
