TRIANO disc G4 – thoughtful all around

SCHUCH

TRIANO disc G4 – FOR SPACES THAT DEMAND MORE

A SOLUTION THAT PAYS OFF: ROBUST, WELL THOUGHT-OUT AND SIMPLY IMPRESSIVE

- High luminous flux, a long service life and lighting control tailored to requirements create the ideal conditions for cost-effective operation.
- 5-year warranty, SCHUCH brand quality ‘made in Germany’ and the long-term availability of spare parts provide additional security for your investment.
- Form, function and details have all been carefully thought through: the perfect solution for your hall.

STRONG WHEN IT COUNTS

- Luminous flux of up to 200 lm/W for energy-efficient lighting
- L95 > 100,000 hours service life – even at the maximum permissible ambient temperature
- Innovative cooling fin design for optimum heat dissipation and efficient convection

SUITABLE FOR EVERY NEED

- Can be controlled intelligently using the LIMAS Air CASA or LIMAS Line lighting management systems
- The luminous flux can be adjusted at any time using the VARIO SET via an external light switch
- Compact, flat design available in three sizes to suit different applications and space requirements

DESIGNED FOR DEMANDING APPLICATIONS

- Repair-friendly design with replaceable components
- Meets all IFS requirements for the food industry
- Sturdy die-cast aluminium housing with a high-quality powder coating

TRIANO disc G4

The TRIANO disc G4 is part of BestSelect, the range of luminaires designed for your everyday needs.
