**SCHUCH** quality at this price

**TRIANO** *disc* – the new high bay luminaire

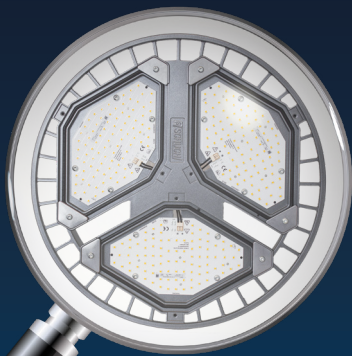

# TRIANO *disc*

There is no alternative to quality

Striking, unmistakable design and the best SCHUCH quality „Made in Germany“ – this is how the new generation of LED high bay light fitting series TRIANO disc presents themselves. With its unique, highly efficient cooling fin system, that completely encloses each individual LED segment, it is designed for a long service life. In addition to its excellent quality, which is emphasised by a guarantee of 5 years, it convinces with an extremely low price.

The perfect combination and a classic win-win situation for everyone!
